WELCOME

at the Walliserhof Grand-Hotel & Spa
Saas-Fee

Your wedding at 1800 meters above sea level

Unique moments and unforgettable moments should last forever not only in love but also in the memory of your wedding day. In the midst of the spectacular Saas mountains you will find with us a place to celebrate your most meaningful day according to your dreams - in the winter wonderland or blooming mountain summer.

Promise each other eternal fidelity

In Saas-Fee you will find your personal favorite place for the big promise. Traditionally romantic in the Saas-Fee Reformed Church or the Sacred Heart Church, very intimate in the Maria zur Hohen Stiege Chapel or in a free wedding ceremony in the middle of nature on the Melchboden. These special places have one thing in common: the unique backdrop in front of the 18 four-thousand-meter peaks.

Celebrate festivals as they fall

With us at the Walliserhof Grand Hotel & Spa you can celebrate your wedding carefree and relaxed. Our event team will organize every detail with you in advance, so that you can concentrate on the really important things on the big day. For the lavish celebration afterwards, we have rooms for every need - whether rustic, cozy, extravagant, or simply modern.
