## WELCOME

at the Walliserhof Grand-Hotel & Spa

Saas-Fee

Planning a special seminar day? An educational training session? Or an extraordinary event? Are you looking for a unique location for your event or would you like to reward your customers or employees with an unforgettable incentive? We put your ideas into reality.

In Saas-Fee you can enjoy healthy mountain air and an intact nature surrounded by eighteen four-thousand-meter peaks.

There are no limits to what you can do during your framework program: there's snowshoeing, night sledging, downhill skiing with torches, climbing a four-thousand peak, ziplining across a gorge, or watch the sunrise in the highest revolving restaurant in the world (3,500m)

Of course, many other teambuilding modules can be booked in addition.

What makes us unique at the Walliserhof Grand-Hotel & Spa: professional support from A-Z before, during and after your event; the choice of dining in one of our restaurants; the possibility to relax after work in the 2100 m<sup>2</sup> large wellness oasis Grand-Spa or to work out in our fitness center and in the only CrossFit-Box of Saas-Fee.

Have we awakened your interest?

Call us and arrange a house tour or a personal appointment with us.

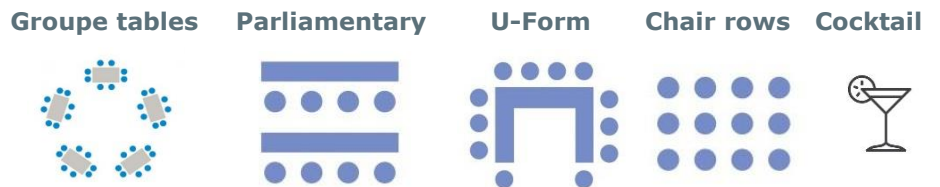

We are looking forward to meet you!

Klaus Habegger and the whole team from  
the Walliserhof Grand-Hotel & Spa
